$ man intro.8

INTRO(8)   Linux Programmer's Manual   INTRO(8)

NAME

   intro - introduction to administration and privileged commands

DESCRIPTION

   Section 8 of the manual describes commands which either can be or are

   used only by the superuser, like system-administration commands, dae?

   mons, and hardware-related commands.

   As with the commands described in Section 1, the commands described in

   this section terminate with an exit status that indicates whether the

   command succeeded or failed. See intro(1) for more information.
